

**IMPACT STATEMENT FOR SPORTS PREMIUM 2015-16**

<b>Sports Premium Budget 2015-16</b>	
Sports Premium	£8,100.00
Sports Premium ( Carried over from previous year 2014-2015)	£3,813.00
<b>Total</b>	<b>£11,923</b>

<b><u>2015/2016</u></b>		
Athletics equipment	£ 794.39	A range of athletics equipment was bought including plastic hurdles, sponge shotputs, high jump poles and discuses to further develop the athletics curriculum.
Basketball equipment	£ 235.00	In particular basketballs (with hand placement prints) were bought, as well inclusive basketball nets.
Cricket equipment	£ 124.90	In particular more cricket stumps were bought to allow maximum pupil participation.
First aid (defib machine)	£ 1,195.00	The 'defib' machine was bought to ensure maximum safety for the pupils in both PE lessons and throughout the school day.
Football equipment	£ 1,756.40	In particular, we invested in two new 5-a-side football goals to further develop the football curriculum. This has supported the lunch time football clubs for the whole school.
General equipment (e.g. ball bags, bibs, court marking, sports day stuff)	£ 349.88	General PE equipment was bought to help maintain the general running of the PE department.
Golf equipment	£ 173.53	A mini putting course was set up in school.
Multi-skills equipment	£ 959.64	A range of multi-skills equipment was bought to help maintain the already well established multi-skills curriculum.
PE Kit (initial cost of PE £1868 given to pupils to start, some of the money recouped through sales)	£ 3,486.00	A brand new PE kit was introduced this year. The PE kit was used as a tool to maintain positive standards and high expectation, both on and offsite.
Specific Infant and Primary equipment	£ 828.58	A range of primary specific PE equipment was bought. This was specifically used to support the recent introduction of new infant (yrR-2) class at school, and also used to support the primary gymnastic and multi-skills curriculums.
Tennis equipment	£ 493.98	In particular tennis nets and balls were bought to allow maximum pupil participation and utilisation of space.
Trampoline equipment	£ 116.35	A push-on mat was bought; used to support the teaching of more technical trampoline skills e.g. front landing.
<b>Total</b>	<b>£ 10,513.65</b>	
Balance Carried forward 2016-17		£1,410.00
