Primary half term theme 'How do I get there?'

Themed around our half term topic, Galaxy and Comets class were thrilled to board the mini buses and head off to Brooklands Transport Museum earlier today. They had an action packed day, exploring the cars, bicycles, buses and aircrafts. They enjoyed experiencing what transport was once like, admiring the penny farthings and supersonic flight on board Concorde. The team at Brooklands also scheduled in a Sensory workshop, where pupils enjoyed 'making and doing' whilst marvelling full-size jet aeroplanes.

Celebrating Achievements

Everyone at Clarendon Primary celebrates pupils as they progress across the curriculum. This week Leon's photo proudly shows how he has determinedly learnt to ride a 2-wheeled bicycle independently on a smooth flat surface. He is also doing well developing his road safety skills, following the road markings, slowing down around corners and stopping for others at the pedestrian crossing. A huge well done Leon. Please also go to our website, detailing the progressive skills pupils are taught across the curriculum, including steps and skills leading to Leon riding the 2-wheeled bicycle:

SEND activities in the local environment

A number of parents have been asking about activities during weekends and the holidays. Thank you to one of our parents for sharing some fun activities:

JUMP GIANTS trampoline park in West London (Heathrow) offer SEND sessions, where the price includes admission for one

jumper and carer.

Please visit their website for further details and for booking these sessions:

Second Hand Uniform and Spare clothes

We would really appreciate it if you could send in any uniform or spare PE and outdoor clothes that are still in good condition (including gloves and warm hats) that your children have grown out of. We will be setting up a pre-loved uniform sale soon, and will keep you updated about dates.

We hope you all have a fun and restful half term break and we look forward to welcoming your children back to school on Monday 20th February 2023.
