

English	Maths	PSHE
<p>This half term will begin with us reading 'On The Way Home by Jill Murphy. We will be reading about all the extraordinary ways that Claire says she her knee when walking home. We will then be writing our own stories, using our imagination. We will continue developing our knowledge of GPCs as we use Little Wandle to develop our phonics, using the skills we learn in our reading and writing.</p> <p>From week 2 each child will bring home a reading book, liked to their phonics level. Your child will have read this book in school previously and should be able to share it with you at home. We appreciate your support with home reading.</p>	<p>Following on from the previous success with the NCETM Mastering Number project we will continue to use this scheme to plan our maths.</p> <p>In addition we will be exploring measures, focusing on length</p>	<p>The world I live in: different jobs in school and the wider community. This half term will link to our understanding the world lessons.</p> <p>We will also continue to develop our emotional literacy through our daily check ins and day.</p>
	Science	Art
	<p>Our science focus will be all about our bodies, we will learn to name the parts of our bodies, learn about how we keep our bodies healthy, through hygiene, nutrition and exercise. We will begin to explore our skeleton and its function.</p>	<p>This half term in art we will be exploring colour, predominantly through the medium of paint. We will be thinking about how colours can combine to make new colours and how black and white can help us make different shades.</p> <p>We will also look at the work of Aboriginal artist, looking at the colours and patterns and recreating some of our own pictures using some new and exciting techniques .</p>
Understanding The World	<p>Autumn 1</p> <p>Who can I ask?</p> <p>15/9 - Rosh Hashanah, 25/9 - Yom Kippur, 29/9-6/10 - Sukkot, 10/10 -World Mental Health Day ,20/10 - Harvest Festival</p>	Computing
<p>This half term we are learning about people who help us. We will be focusing on people who work for our health service. We will be finding out about the life of Florence Nightingale, Mary Seacole and Marie Curie and the contributions that they have made to medicine.</p>		<p>This half term our topic is 'Technology Around Us.' We will be looking at all the different types of technology that we use in school, at home and in the wider world we live in. We will be selecting the technology we need to complete tasks, such as using a digital camera to record pictures from a visit.</p>
Forest School	P.E. and Life Skills	Music
<p>Throughout the year we will be noticing seasonal changes in our environment.</p>	<p>PE lessons will be focused on gymnastics this half term. We will be exploring the ways that we can balance and move using different parts of our bodies.</p> <p>PE lessons also provide opportunities to develop our life skills, learning to change our clothes with increasing independence and find out how we can keep our bodies healthy.</p>	<p>In music we will be learning about dynamics (loud and soft sounds). We will listen to a range of music to identify when the sounds change and then try to use what we have learnt in our own competitions and playing as an ensemble.</p>
