Clarendon Pupils "Proud to be Me"

Pupils were excited to invite parents and carers in for their class tea parties this half term, and proudly helped to get their work and books on display for the parents evening this week. We hope you enjoyed celebrating their achievements too and working with the class teachers to see how they are progressing.

For those of you who came along to our recent Harvest Festival and heard the pupils singing our [school song](#), we look forward to the [new website](#) being launched in the second half of this term with pupils singing the school song so that they can also share it with you and sing it at home.

Clarendon Pupils "Proud of our School"

Our pupils continue to be inspired and involved with the wonderful work that Romany is doing to create mosaics that reflect how 'Clarendon is a place of learning for everyone'.

Project Sunshine Clarendon Primary Centre Painting Day

on Saturday 27th October

We welcome as many parents and carers to come along for an hour or more to the 'Project Sunshine' Clarendon Primary Centre Community Painting Day from 10.30am to 3.00pm on Saturday 27th October. If it is raining please do not come along, and we will update you about another date in the second half of the term.

Thank you to everyone for helping to transform Clarendon Primary into a 'Sunshine' Place of Learning for Everyone.

Active and Nurture Start to set up positive learning everyday

As part of our active start to the day, pupils are proudly increasing their targets to reach the 'mile a day' every Monday and Friday morning. Pupils proudly count up their

dots for each round that they do, where they also develop their addition and multiplication, and definitely team skills. They also enjoy sharing their scores during assembly.

Clarendon Primary Football Team

With our move to the new Primary Centre site we have been working with Buckingham Primary School to develop integration opportunities. This includes the football match that has been held on a weekly basis during October. Clarendon pupils proudly shook Buckingham pupils' hands after their defeat last week, and celebrated the 4-4 draw yesterday.

Galaxy class have really enjoyed writing their reports following the matches, with a quote from Johnny this week saying how "we all played friendly and together as a team" summarising it perfectly.

From all of the Primary Team

We wish you all...

and we look forward to seeing your children back after a well-deserved break on Monday 29th October.
