

English	Maths	PSHE and Life Skills
<p>We will be listening to, discussing and expressing views on a range of high quality fiction and non-fiction at a level beyond that at which they can read independently. We will be focusing on expanding vocabulary by innovating stories, extending writing and editing and improving our own writing.</p>  <p>The Talk for Writing key focus text is 'The Robot and the Bluebird'</p> <p>Phonics will be taught through the Little Wandle, Letters and Sounds scheme. Pupils will build on their knowledge of sounds (graphemes) and how to recognise them individually and within words. They will learn how to apply these sounds to their reading and writing.</p>	<p>We will continue to work using the Mastering Number scheme, developing a Mastery approach, whereby pupils will develop a deep and secure knowledge of number relationships and knowledge that can be used to support fluency and problem solving. We will learn to use a range of resources to support securing their maths skills.</p>  <p>Pupils will learn about measurement - length, height and temperature. and how to show and recognise this in a range of ways through using resources, images and recording.</p>	<p>Each day pupils learn a range of strategies to support self-regulation, develop their understanding of feelings and social skills. At Clarendon we use the Zones of Regulation across the school.</p>  <p>We will be continuing to follow the Zippy's friends PSHE scheme of work, exploring the story of Zippy the stick insect, his owners and the changes and challenges he experiences throughout his life, relating these to our own experiences.</p> <p>We will also learn about the world we live in Self care, support and safety: keeping safe Life skills will include road safety week &amp; wrapping a present</p>
Understanding The World	Galaxy Planning - Autumn Term 2 2024	Computing
<p>This half term we will be thinking about Festivals of Light - including Christmas and Diwali, Remembrance Day, Hanukkah.</p>  <p>We will be making some decorations, follow, discuss and understand stories and share our own experiences of these festivals. We will explore where they are celebrated and by whom and study artefacts associated with celebrations. The children will be wrapping presents and learning about gifts.</p>	 <p><b>What's over there?</b></p>	<p>This half term we will explore : This half term we will be considering the question : What IS a computer? Communication - multimedia</p>  <p>We will be developing our key skills for using a computer by creating simple stop motion films by taking photographs. We will learn what stop motion is and plan, create and produce our very own films using the Aardman animation app.</p>
Science	PE	Expressive Arts and Design
<p>Seasonal Changes will be taught throughout the year starting with Autumn; we will make observations of the environment around us and record these so that we can examine changes over time, across the school year.</p>  <p>Children will learn about the inventions of Lego and ear muffs, and will explore the materials used to make them. They will investigate other materials that keep us warm, carrying out simple tests.. Throughout the unit, children will work in a fun and hands on way to learn about scientists and inventors.</p>	<p>Galaxy class will be swimming this term.</p> <p>We will also be developing our gross motor skills in Dance this half term. We will be developing the following:</p>  <p>Listening to the beat of the music/tambourine and sometimes move in time to it Listening to the beat of the music/tambourine and move in time to it Listening to the beat of the music/tambourine and move in time showing expressions with my actions</p>	<p>In Art , we will be studying texture, weaving, stitching and dyeing materials. We will use our weaving skills to design a placement and decorate it and explore wax resist.</p>  <p>In music , we will be exploring and describing sounds that are made in order to create 'sound stories'.</p> <p>We will sing songs and add movements during all of our learning and move and sing to songs of celebration in daily assemblies.</p>
