

English	Maths	PSHE	
 <p>This half term text is <i>Bedtime for Monsters</i>, written by Ed Vere.</p> <p>In <i>Bedtime for Monsters</i> by Ed Vere, we meet a little boy who is terrified of the monster under his bed. Every night, the monster scares him with its loud growls and frightening noises. The boy, however, is determined to confront his fear. He decides to hide under the bed and confront the monster.</p> <p>Reading the book together, we will be teaching about character development, familiar settings and plot in adventure fiction.</p> <p>Alongside this we will be introducing the children to some simple poetry to encourage rhyming and alliteration</p>  <p>We will be continuing following the Little Wandle phonics progression. The pupils in class will be working to learn the next GPCs to develop their reading and writing skills. Where appropriate, some children will combine this with a whole word approach, to ensure that they are maximizing their learning opportunities.</p>	<p>In maths this half term we will be continuing to work on our maths mastery curriculum alongside our mastering number project. Will be having lots of fun maths activities for the children to take part in as part of our continuous provision.</p> <p>In class maths we will be learning about patterns.</p>	<p>This half term we move onto module four of Zippy's friends, where we will be focusing on improving children's abilities to solve problems.. We will be learning how to recognise helpful solutions, deal with bullying, solve problems and help others solve problems too.</p> <p>As part of our relationships and sex education we will be thinking about growing up and the changes that happen during puberty. We will continue to revisit learning about public and private places, our bodies, public and private spaces and behaviours and the changes that happen during puberty.</p>	
Understanding The World	Science	Cooking	
<p>Last half term we were exploring our environment and what we could see when we were out and about. This half term we will be looking at the different types of homes in our local areas (houses, flats, palaces, river boat houses) . We will be looking at how homes have changed over the years and what we have in our homes now that maybe our grandparents didn't have. On a wider scale the pupils will be looking further afield at key buildings in the UK (Buckingham Palace, Hampton Court palace, The Tower of London ETC)</p>	<p>As the half term is all about different materials .</p>	<p>This half term we will be looking at tasting and making a variety of cakes and scones both sweet and savory. The pupils will be measuring, weighing and mixing the ingredients to create some delicious treats to share with you all at home. We have a few birthdays to celebrate in class this half term so we will be looking to bake some special treats to help them celebrate.</p>	
Forest School and the allotment	<p>Comet Class Spring 2 2025 Who Lives There?</p>		Art
<p>Please can we remind you to help your child dress appropriately for the weather conditions on the day for Forest school and the allotment as we will be going out in all weathers and conditions.</p> <p>This half term is all about homes so we will be making and exploring our own dens from the natural materials that we can find in the forest. we will be looking forward to spring and the warmer weather and as part of this Ivetta will be planting bulbs with the pupils so we can water and look after them top watch them grow and make our outside environment more colourful. Closer to the Easter holidays the pupils will be making birds nests and to close the term Ivetta has organised an Easter egg hunt</p>	<p>As always, life skills are in everything we do here at Clarendon Primary and the children will continue to have lots of daily and hourly opportunities to make progress in this area of their development. Each half term we have a focus and this half term links in with our community. We will be embarking on local visits walking, minibus and TFL)</p>	<p>This half term in art we will be DRAWING using a variety of different media (Pencils/pens/chalk/charcoal/ wax) The pupils will be taking their inspiration from the famous artist Edward Tingatinga. We will be trying some of his technics and having a go at recreating some of his famous works</p> 	
	Life Skills	P.E.	
		<p>This half term is all about moving energetically. We will be</p>
