First Half Term Learning and Fun

The last eight weeks have flown by and we hope you have enjoyed hearing about and seeing all the learning and fun that your children have done this half term. Pupils have explored and learnt within a wide context of activities, including regular opportunities to achieve and develop confidence and self-esteem through hands-on outdoor learning experiences. Comets, Galaxy and Planets class have enjoyed weekly forest school sessions led by Iveta our Forest School Leader.

Clarendon Primary are fortunate to also have the opportunity for six pupils each half term to go horse riding at Teddington Park Lane Stables every Wednesday morning. Pupils have the opportunity to experience and engage with horses. This is personalised around pupil's needs, from the enjoyment of understanding their habitat and how to look after them, where pupils often need this to gain the confidence to stroke, ride on a carriage and then on the horse itself.

Harvest Festival

Thank you to everyone for all the contributions that we received, helping pupils to celebrate and understand Harvest Festival. Pupils enjoyed standing up in assembly throughout the week to share the goodies that they had brought in, explaining that food and toiletries last a long time so that there was plenty of time to get them taken to the food bank. We are sure that everyone who came along to our

Harvest Assembly were also proud of how our pupils sang and signed the harvest songs. On Monday Galaxy class took everything to the food bank and shared this experience with everyone during Wednesday's assembly.

Celebrating staff achievements and fund raising

Huge congratulations to Sarah (from Clarendon Primary) and our Secondary colleagues who ran the

Cabbage Patch 10 mile run on Sunday 19th October, and to other members of staff who gave up their Sunday morning to be marshals and cheer everyone along.

Also, a huge thank you to the race organisers for the money that they donate to Clarendon every year from the funds raised.

Library visit

Pupils all look forward to the stories when Evie, the librarian, comes to do an assembly every half term.

This week Planets class also had a wonderful visit to the library. Everyone laughed at the funny books that Evie read

to the class and then pupils enjoyed looking at other books by themselves.

Thank you to parents and carers who came along to our Macmillan Coffee Morning. We hope you enjoyed Galaxy pupils serving you cake, meeting other parents and getting to know more about Clarendon Primary. With all the

wonderful cake donations, a huge thank you to all

of you for raising £173. Across the whole school, Primary and Secondary, we were thrilled to send off £396 raised from various events.

We enjoyed seeing many of you at parents' evening this week and please look out for the updated medium term plan on the website outlining what your child will be doing next half term <https://www.clarendon.richmond.sch.uk/>.

We wish you all a happy and safe half term and look forward to seeing your children back on Monday 10th November.
