Celebratory End of Year Assembly

Welcome to the last newsletter of the year. It is a sadly time to say goodbye and farewell to our wonderful Year 6 pupils and their families. We wish you every success for the future at Clarendon Secondary and we thank you for your superb contributions at Clarendon Primary.

2018/2019 has been a fulfilling year with so many highlights to celebrate as we head off for a well-earned summer break. All of our successes and achievements have been made possible through the hard work from the children, staff and families. Your parental support has been very important and has enabled us to make the difference for all our pupils. The children have been absolutely super in every

aspect of school life and are the key ingredients in making Clarendon such a special 'Place of Learning for Everyone'.

Our wonderful school dog Crosby

Crosby is an invaluable asset and member of the Clarendon team, offering a huge range of benefits to everyone across the school. We were so pleased to see him back at school after his recent surgery for an abscess and losing sight in one eye. We look forward to him continuing to enhance our pupils' confidence in the next academic year.

confidence in the next academic year.

Staff Update

We welcome Hugh Lovric as the new Galaxy teacher in September. Hugh is a great addition to our team, having completed a 10 week placement at Clarendon Primary during his PGCE. He joined the team permanently on 8th July.

Sadly some colleagues are leaving Clarendon at the end of this term. After long and successful careers at Clarendon, Denise Corr (Administrative Officer), and Rachel Barnett-Salter (Health and Well-Being Lead) are leaving this term. We thank them wholeheartedly for their wonderful service to the school and hope that their new adventures and retirements are long and healthy.

Su Woodhouse (Senior Teacher at Clarendon Primary) joined Clarendon 31 years ago, and is going to work at LEH 2.5 days a week.

Although Su will be greatly missed on a day-to-day basis, we are delighted that she will continue to offer occasional specialist support to Clarendon.

Laura Jarvis (Teaching Assistant) and Lynn McAllister (Admin Assistant) will be moving to work elsewhere in the Auriga Academy Trust from September.

We have also had some fantastic agency TAs who have been with us for over a year, who have decided to move on to pastures new. Thank you to Cristina Nitu who is going back to university to study, and to Julia Nordquist who is going back to pursue her career in Sweden. We wish them good luck with their new roles and exciting changes.

New resources and improvements

We were all really excited to receive delivery of the recent resources for Stars class. A particular thank you to Leigh Tuffin for entering into the 'Custom Cut Designs' competition to win the new kitchen, and for the company delivering it all the way from Wales.
