Christmas End of Term

It has been a fantastic term and we are amazed at how quickly it has gone. The pupils have all settled well into their new classes and have really embraced the new challenges that come with this.

There have been so many achievements in all areas of school life. All pupils shone out during the Christmas production. We hope you enjoy sharing the highlights with your children, who should all be very proud of what they have accomplished.

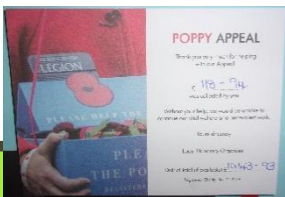

Christmas Fun Learning

Pupils have enjoyed many activities themed around our half term topic and Christmas. As well as many cross curricular activities within school, there have been a number of educational visits. Galaxy class all did really well ice skating at Hampton Court Palace, and as part of our Life Skills curriculum Comets class went to Garson Farm for their community visit last week.

Themed and Fund raising events

We have all enjoyed the range of activities throughout the term, where we recently had a postcard thanking us from the Poppy Appeal, and last Friday we raised £59 during Christmas Jumper Day.

Thank you very much for helping with our Appeal.

£ 118 - 94
was collected by you.
