World Book Day  
2020  
WORLD  
BOOK  
DAY

### World Book Day

Thank you to all the children, parents, staff and Crosby who made World Book Day a huge success!

Pupils had fun celebrating World Book Day dressed their favourite characters, with special lunch of wormy spaghetti

Cheshire cats cheese and baked bean puff followed by Billionaire Boy's caramel muffin.

We hope you enjoy hearing all about it from your child and using the £1 book token.

### Our Environment Half Term Theme

Pupils are really enjoying this half term's topic, learning all about our environment with a key focus upon looking after our world and recycling. This week Stars class went around collecting paper for recycling and used this to make new paper!

We will also be sending boxes home with pupils soon, to collect old batteries and return them to school for recycling when they are full.

We were all pleased that the bike rack was assembled during half term. The bikes will be used to teach pupils how to ride a 2 wheeler safely on a cycle path only. No child should cycle on the road unless they have Bikeability Level 3, that equips riders with the skill and confidence to ride in more challenging roads and traffic situations.

## Welcoming Spring

Galaxy class did not let the rain stop them having fun during their recent educational visit to Holly Lodge for an Amphibian Day. This included a nature trail, sensory story, learning about the life cycle of a frog and pond dipping. We look forward to other visits that Holly

Lodge are offering this year.

## Staff Update

We all welcomed Sarah Adams when she joined us this half term. Sarah and Sharon are covering Tarha's maternity cover, as the class teachers in Moon class. They look forward to meeting all parents as we progress through the term.

## Save the Date

We welcome as many of you as possible to come and join us for our Easter Assembly on Friday 3<sup>rd</sup> April at 9.30am. Following the assembly, we are having a 'food tasting from

around the world' experience for pupils and parents. We would welcome parents and carers to either send in some cultural food or come and join us by preparing and serving some traditional food from countries around the world. Please complete the reply slip on the letter sent out this week or speak to the office if you have any queries about this.
