## Primary News

### Celebrations and Achievements

Throughout the term during assemblies pupils celebrate many achievements. Every Friday Stars of the Week sit proudly on the stage, and their certificates are then displayed on our Primary Board in the entrance hall. As well as celebrating the many achievements pupils accomplish at school, pupils also enjoy sharing out of school news. This week Emily in Galaxy class showed her artwork that she had done at home following the series of lessons the class are doing around 'The Starry Night' by Vincent van Gogh.

Everyone was also impressed with Lewis' football skills, when we showed the video of his session with the Fulham Football Club coaches this week.

Fulham Football Club Foundation is a leading community charity that aims to build better lives through sport. We are currently planning for them to come and run some sessions at Clarendon Primary.
