Summer 2019

Welcome to our Summer Bulletin. We hope you enjoy seeing what our young people have been achieving in class.

7/8M were lucky enough to get a trip out to the bowling centre at Kingston Rotunda. Everyone had a fantastic time, and they took special guest Shams along as a treat for the excellent work she has done.

CHARITY FUNDAY

On Friday 19th July Clarendon Secondary Centre

children will be taking part in a fun afternoon of water related activities. This will help them understand how lucky they are that they live in a country

where water is clean and accessible at all times. We shall be getting wet so please get your children to bring spare clothes.

If your child wants to take part in a sponsored challenge to ***“Walk the furthest”***, please contact Carla Mattison for a form and more details.

Gardening club started off with a fantastic visit to Adrian Hall Garden Centre. It has proved to be a very popular club and the pupils are really enjoying it so far. Hopefully they be able to start using their new found skills in our own school allotment.

Summer 2019

Year 7 went out to explore more of the surrounding area. Here we are in front of Twickenham stadium !! We enjoyed the warm weather and practised road safety on the way.

We are very much looking forward to a celebrity visit in July. The Governess Anne Hegerty from ITV's 'The Chase' is coming to meet our pupils. Anne is going to be talking about Autism and how things have changed for her since her diagnosis.

Meanwhile Clarendon Primary have been hitting the headlines too. Nick Raggett (parent) has produced a fantastic short film featuring the primary pupils. They are telling their story of life at Clarendon. It's been so popular, Channel 5 News have done an article on it too which will be broadcast next week on the evening news. But don't worry if you miss it there is still a chance see the film on youtube.
