## Primary News

w/e 18<sup>th</sup> December 2020

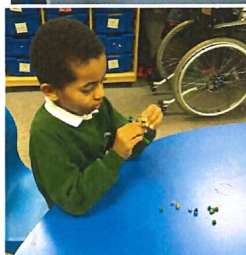

A huge thank you to everyone for coming through the challenges that Covid has put in our path this term. Everyone has worked so hard for our pupils' safety, happiness and progress. Pupils have been amazing at adjusting positively to the changes: washing hands, having windows and doors open and keeping within their bubbles. We are so grateful to every parent and carer for working together to keep everyone safe.

From last Thursday pupils have enjoyed learning about the celebration of Hanukkah. This included listening to the story, and counting and lighting the candles. They proudly put their hands up in assembly to answer questions, remembering that the nine branches are called a Menorah.

Pupils have enjoyed many activities themed around our half term topic and Christmas. We would like to say a particular thank you to Rosie, from Insight Local Churches, who provided

tailored resources for every class to experience a 'Virtual Christmas Journey'. We hope that you enjoy receiving the gifts that your child excitingly made in class.

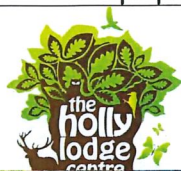

## Save the Children **CHRISTMAS JUMPER DAY**

Pupils had fun learning about Christmas Jumper Day last Friday, in which we raised £63.30.

Five pupils have their jumpers on for the Friday 2k run. A particular well done to two pupils in Rockets class who have worked so hard this term to increase their running circuits during our Active Start and reached the target for going over to the park. They are the first Year 4 pupils to achieve this.

### **Holly Lodge Sensory Christmas Walk**

Key Stage 2 pupils enjoyed the recent visit to Holly Lodge, which included creating snow pictures, making reindeer

food, decorations and Christmas ginger bread biscuits. Thank you to everyone at Holly Lodge for working so hard to make this safe and possible during these times.

If your child at Clarendon Primary tests positive for coronavirus over the Christmas period please can you email [covid@clarendon.richmond.sch.uk](mailto:covid@clarendon.richmond.sch.uk) confirming their name, test date details and when they began to show symptoms. Please follow Government guidelines for self-isolation.

We hope that you and your family have a happy and healthy Christmas. We really look forward to seeing your children back at Clarendon Primary on Tuesday 5<sup>th</sup> January 2021.
