Proud to 'Do Your Best'

Our photos below, including this week's assembly and sign of the week to 'Do Your Best', show our pupils working hard and doing their best. A huge 'well done' to the pupils for all their achievements this half term.

Harvest Festival

Thank you for all your contributions, enhancing pupils' learning about harvest festival. Pupils engaged in a range of activities, including harvesting our Sensory Garden, taking away last season's plants and putting in seeds and bulbs for our next crop. Children were inquisitive investigators, asking many questions about the shallots and garlic, and are looking forward to making garlic bread.

Comet class packed up the food, responsibly taking it to the Food Bank last Friday. Due to Covid, it was different this year, so pupils took the bags on to the grass bank where the staff then spoke to them about how grateful people

would be to receive all of our Harvest Festival contributions. George and Jamie then proudly stood up in assembly on Monday to tell everyone about how they had delivered the heavy bags of goodies to the Food Bank.

Family Group

Congratulations to George who graduated from Family Group last week. George enjoyed telling everyone in assembly about Family Group and his achievements. If you would like to know more about Family Group please get in touch with Vicky Baker 0208 941 2623

vbaker@clarendon.richmond.sch.uk

or Sue Richards-Gray on 07786171183.

Outdoor learning

This week Comet class enjoyed their educational visit to Kew Gardens, including a sensory treasure hunt with tree bark, pine and lavender.

Please remember that when pupils return to school after half term the weather will be getting considerably colder. During the current Covid pandemic, within our risk assessment we will continue to ensure that windows and doors will always be open, with many outdoor learning opportunities for pupils, as the outdoors is a safer environment. Pupils should always come to school with named warm clothing, including a coat. Supermarkets are starting to stock warm thermal vests; extra clothing layers will help your child to stay warm.

We wish you all a happy and safe half term and look forward to seeing your children back on Monday 2nd November.
