

## Primary News

w/e 23<sup>rd</sup> July 2021

### Summer Term Learning and Fun

Pupils have enjoyed developing their team skills, during a range of outdoor learning opportunities, including new adventures outside of school:

#### Holly Lodge

Comets and Galaxy class had fun during their recent visit to Holly Lodge, exploring and investigating mini-beasts and lifecycles.

#### West Wittering Beach

Primary pupils were well prepared, confidently getting into the coach and communicating so happily with their partner and friends around them whilst observing the change of scenery during the journey to West Wittering. Pupils were particularly animated going through the Hindhead Tunnel and spotting all the different animals as we progressed into the countryside.

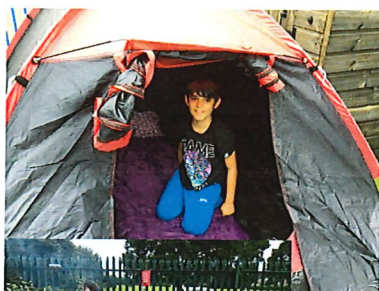

Everyone worked together as a team, ensuring it was a safe, happy and fun day... in the sea, building sandcastles, an 'Andy Goldsworthy' stone art sculpture, having a well-deserved picnic and ice-cream...and then happily going back to school in the cool, comfortable coach.

## Comets class camping trip

Comets class worked so well together as a team, putting up their tents, then having fun with the new water play equipment and their remote control cars. They then settled down for the evening with a BBQ, movie and hot chocolate. They woke up bright and early to continue the fun on Friday with team games and a well deserved McDonalds lunch!

## Sports afternoon

Primary pupils were amazing during the sports afternoon, working together, taking turns and cheering each other on. Comets class team leaders

demonstrated the activities and motivated their teams so positively. A huge well done to Primary pupils... we are so proud of your team skills, working together and having fun.

## The Flight of The Dragonfly

## 'Flight of the Dragonfly' Performing Arts Project

We are so proud of all pupils who worked so hard putting together this performing arts project this term half term, and we are so excited that this is now live to watch on our website within the **News and Events** section and also at:

<https://www.youtube.com/watch?v=rkE-BzSsT6A>

A huge thank you to Anne-Marie, from the Combination Dance Company, and Kelly (our well-being, yoga and movement teacher), for co-ordinating this project.

Following our **Celebration of Achievements and Year 6 Leavers Assembly** today, we hope you all have a relaxing and fun summer holidays. We wish our Year 6 pupils every success at Secondary school, and we look forward to seeing Clarendon Primary pupils back on Monday 6<sup>th</sup> September.
