Primary Centre

# Primary News

w/e 1<sup>st</sup> April 2022

This term seems to have sped along, even more than usual. Despite the continued irritation of Covid, Clarendon pupils have, as ever, achieved much.

Although we continue to have a number of pupil and staff absences, a huge thank you to everyone for ensuring that pupils continue to stay safe and progress, having fun across the curriculum.

There have been so many achievements across all areas of school life. Pupils have engaged in activities themed around our half term topic 'How can we help the Planet?' including their persuasive writing that would definitely support Sir David Attenborough's Plastic Message. We hope that your children are also developing their understanding and skills for the importance of reducing, reusing and recycling plastic at home.

Thank you to all the children, parents and staff who ensured that all pupils had fun on Red Nose Day, raising £87.60. During our 'Day for Ukraine' we raised £77, with pupils wearing supportive blue

and yellow. Our thoughtful assembly and reflective day helped pupils understand more about the world around us, and key factors that make us feel safe today.

**We Are Collecting  
For Ukraine**

## Dance Event at Hampton High

A huge thank you to Kelly, Malachi and pupils for your commitment to teaching and learning the dance routine this term; where you proudly represented Clarendon Primary at the Spring Dance event at Hampton High last week. Everyone was thrilled when Angela came along too, and pupils enjoyed teaching her the dance routine!

## PSHE/Relationships Education Meeting on 25.3.22

Vicky Baker and Caroline Hollywood (Clarendon PSHE/Relationship Education Subject Leaders) were delighted to meet so many parents to introduce and discuss the elements of relationships and health education that will be taught during the first half of the summer term for Key Stage 2 pupils. The meeting was really productive in providing parents with the opportunity to learn about the curriculum delivered at Clarendon Primary and an opportunity to consider strategies to support pupils as they grow.

We look forward to the **Easter bonnet** parade tomorrow, and please remember that we finish school at 1.30pm as it is the last day of term.

We hope you all have a relaxing and fun Easter break and we look forward to seeing your children back at Clarendon Primary on Wednesday 20<sup>th</sup> April.
