

English	Maths	PSHE
 <p>This half term's shared text is 'One Plastic Bag: Isatu Ceesay and the Recycling Women of Gambia. This inspiring true story tells the tale of how one African woman began a movement to recycle the plastic bags that were polluting her community.</p> <p>Every day we continue to develop key skills working at the pupil's own level writing names, birth dates and addresses, developing phonics skills, communication and handwriting. Pupils also read every day with a member of staff. They are also supported to develop communication and written skills in line with individual targets.</p> <p>Each child has a reading book that is sent home to be shared with family every day (these books are chosen by pupils and are not necessarily at a level that they can read independently, but are to be shared and enjoyed).</p> <p>Our love of literacy is further developed by enjoying a class text, read by a member of staff each day. We will begin by continuing our current book 'The Boy Who Biked The World' by Alistair Humphreys.</p>	<p>The children working within the year 1 curriculum will be looking at addition and subtraction within 20 and place value within 50. The children working within the year 2 curriculum will be looking at addition and subtraction within 100.</p> <p>This half term the class will also be learning time in both digital and analog forms.</p>	<p>We will be learning about becoming good citizens through caring for the world we live in. We will try to think of ways that we can care for the school by turning off lights, recycling paper and other positive changes we can make.</p>
	Science	Art
	<p>This half term is all about materials. We will begin by observing, sorting and classifying materials and then undertaking a number of experiments to explore their properties.</p> <p>We have also re-booked our visit to the Science Museum, which we had to postpone in the Autumn Term.</p>	<p>In art this half term we are looking at the skill of drawing. The children will be given many opportunities to draw and in a variety of different media (Pencil, charcoal, pastels, chalk and pens). We will be concentrating on having an awareness of space when we are drawing or colouring to making sure that all our marks are where they need to be (colouring in the lines)</p> <p>We will be using our sketch books to collate our work so that the children can see the progress they have made over the term. The artist we will be looking at is Georgia O'Keeffe</p>
Understanding The World	<b>Spring 2</b> <b>How Can I Help The Planet?</b> This half term our topic is all about caring for the world we live in. Fair Trade Fortnight (21/2 - 6/3), St David's Day (1/3), Shrove Tuesday (1/3), Shivrati (1/3), World Book Day (3/3) St Patrick's Day (17/3), Holi (17-18/3), Mother's Day (27/3),	Computing
<p>This half term is focused on our environment. We will be looking at how our actions can harm our planet and think about small changes that we can make that will help to prevent climate change and reduce pollution and waste. This topic links to our text in literacy.</p>		<p>This half term in computing we will be investigating digital art and how we can make art using technology. The children will be collecting data so that they can learn some of the different ways in which we can present our findings (graphs, pictograms and Tally charts) We will also be working again with our programmable resources and writing our own algorithms and code to make them travel, per arranged distances and around obstacles.</p>
Forest School	PE	Cooking
<p>We are looking forward to the warmer weather arriving for Forest School. Although please continue to dress for the weather on a Wednesday.</p> <p>We will notice how the environment changes from winter to spring, as well as making charcoal for drawing. We will also be using our charcoal to make black ink so that we can use the same media in different ways.</p>	<p>After a successful start to the swimming last half term, we will continue our Monday morning lessons. Thank you so much to all of the parents who send their children in ready to swim on a Monday morning. It has been a big help as our lesson starts at 9:30.</p> <p>We will also be continuing to have weekly yoga sessions alongside activities to support physio needs and requirements. Some students will have the opportunity to go horse riding.</p>	<p>The class will have weekly cooking sessions and we ask for a £5 donation towards this each half term.</p> <p>This half term we are looking at preparing and making vegetarian and vegan dishes and snacks to coincide with our topic of 'How can we help the Planet.'</p> <p>We will again have a focus on knife skills (Chopping, Peeling, Grating)</p>
